Dear L3G1T Members,

I am proud to inform you on our new L3G1T Oath. Here's how it goes...

As a L3G1T member, I pledge to be quality performer in the act of spending time with my clan. I will be loyal, trustworthy, honest, and treat other members with respect. I will follow all clan rules and regulations, I will serve my clan with respect and authority. I will be one step ahead of all the others on Playstation Network. I will do my job and my job only, I will reach out and help other members when needed. I will We myself at all times and never get carried away or upset with another member. I will try my best and never give up. I will stride to complete every task given. I will be a good example to newer members to follow. I will trust other members and trust myself. I will not swear, curse, use profanity, or any explicit media while in this clan. I will show up to every clan meeting I can unless I tell L34D3R or CO-LEADER that I will not be able to attend. I will share my thoughts and feelings to other members in the clan when asked to under permission. I will be a proud L3G1T member and to this Oath I pledge to be a L3G1T.

Yours Truly, L3G1T.
